“We cannot accept liability for errors, however caused, which are evident in the proof and not indicated by you at this stage. You are liable for all relevant costs incurred in correcting such mistakes once the proof has been approved. The following checklist may assist (this list is not exhaustive!) Text Colour, Cut marks, Layout, Size/shape, Spelling, Typography, Marks & other imperfections. Please Note: no further work can be done until this proof is approved in writing”

This product may have more than 1 print area, please check to ensure the print position is correct as mistakes can not be rectified once the goods have been printed. If you are increasing the amount of prints or position to what is showing on your order acknowledgement then additional charges will apply
